## **SPECIAL AGREEMENT ON PURCHASE OF TICKETS**

Panasia Advertising is principally engaged in the provision of distribution and agency services for advertisements and is providing advertising agency services to OSGH (China) Group. It is intended that the tickets will be distributed to the existing and potential customers of Panasia Advertising for the purpose of market promotion.

## **ANNUAL CAPS AND BASIS FOR DETERMINING THE ANNUAL CAPS**

The aggregate amounts paid by Panasia Advertising under the PRC Master Screen Advertising Agreement and the Shenzhen Advertising Agreement for each of the financial years ended 31 December 2011 and 31 December 2012 were approximately RMB5,780,375 (approximately equivalent to HK\$7,341,076) and RMB10,554,707 (approximately equivalent to HK\$13,404,478) respectively.

The Caps in respect of the transactions contemplated under the Master Advertising Agreement for the years ending 31 December 2014, 31 December 2015 and 31 December 2016 are set out as follows:

	<b>Caps for the year ending 31 December</b>		
	<b>2014</b> <i>(RMB'000)</i>	<b>2015</b> <i>(RMB'000)</i>	<b>2016</b> <i>(RMB'000)</i>
Aggregate amount payable by Panasia Advertising to OSGH (China) Group for transactions contemplated under the Master Advertising Agreement	18,000	26,000	33,000
<i>Approximately equivalent to HK\$ ('000)</i>	22,860	33,020	41,910

The above Caps are determined by reference to the historical revenue generated from the PRC Master Screen Advertising Agreement and the Shenzhen Advertising Agreement, projected revenue which may be generated from the Master Advertising Agreement as well as revenue sharing ratios offered by Panasia Advertising to the Group, with the consideration of the number of new cinemas to be established.

The terms of the Master Advertising Agreement were negotiated on arm's length basis and are on normal commercial terms.

## **REASONS FOR AND BENEFITS OF ENTERING INTO THE MASTER ADVERTISING AGREEMENT**

From the Group's past experience, the pace of growth of screen advertising income is slower than that of box office, so the Group plans to focus more on the management and operation on cinemas. The subject continuing connected transactions will continue to generate stable income to the Group by receiving annual fees from Panasia Advertising. The Board considers that it will be to the benefit of the Group to enter into the Master Advertising Agreement.

In respect of the connected transactions regarding the purchase of movie tickets under the Master Advertising Agreement, Panasia Advertising intends to purchase the movie tickets for distribution to its existing and potential customers for the purpose of market promotion, which can help promote the cinemas and the brand name of OSGH (China) Group. This will in turn attract more advertisements for Panasia Advertising and OSGH (China) Group and creates a win-win situation for the parties.

The Directors (including the independent non-executive Directors) are of the view that the Master Advertising Agreement has been entered into in the ordinary and usual course of business of the Group and is on normal commercial terms and is fair and reasonable and in the interests of the Company and its shareholders as a whole. The Directors (including the independent non-executive Directors) also believe that the Caps of the Master Advertising Agreement are fair and reasonable.
